

TRS-ActiveCare: Self-Insured Regional Rates

- There is no increase in the total premium charged by TRS to employers for any plan or tier for FY2022-23 self-insured plans.
- All regions are fully regional rated based on local cost of care.
- All regions will experience a decrease in the average total premium, ranging from ~1% to 20%.

Average Change in Rates from FY22 to FY23 Plan Years
